

CanadaDE Media Release

In the spirit of uplifting education for co-operatives and credit unions, the Centre takes photos during our programming and shares on our various platforms. It helps build interest, awareness and enthusiasm for this education. We offer this consent form in this spirit, although the university lawyers crafted the below language (don't let that scare you).

In agreeing to participate in the sharing of images (and sometimes videos) you allow the [International Centre for Co-operative Management](#) and/or representatives the unrestricted right and permission to copyright, use and publish photographs, video and/or audio recordings of you without restriction as to reproduction, made through any and all media for the purpose of promoting the CanadaDE program.

By providing your consent, you agree to the following statements:

1. I relinquish any right that I may have to examine or approve the completed product or products or printed material that may be used to promote the CanadaDE program.
2. I have read the above authorization, release and agreement, prior to its execution. I fully understand the contents thereof.
